

RCA Flying Update - Spring 2023 — April

Welcome to this spring edition of our Solent Airport E-newsletter.

Easter Event

We were delighted to be able to host our hugely popular community Easter event again and despite a brisk cold breeze, we were very lucky with the weather!

Bristow Helicopters very kindly opened up their Search and Rescue Hangar facility to families interested in learning more about the fantastic work done by the team. We are very grateful to them for providing such an informative and popular opportunity.

A huge thanks also to Frank Thompson, Operations Director of Phoenix Aviation and Josh for providing an aircraft for visitors to view throughout the event and for enthusing adults and children alike with their passion for aviation.

Last but not least, a big thank you to our wonderful Solent team for hosting such a popular and successful event and to the Easter Bunny for providing fun and chocolate!!

We are delighted to report that over £250 was raised for our nominated charity, Charlie's Beach Hut from our mini raffle and donations.

Thank you to all those who contributed to the success of this event.
